

WE'VE GOT YOU COVERED

Integrated Quality & Environmental Policy

Canvas and Tent is a large Manufacturing company which is locally owned and with an ethnic staff compliment diversity of plus 400 employees. The factory is situated in 11 Yellow street, Ezakheni Industrial estate, Ladysmith, KZN, South Africa.

We specialise in luxury safari, bush adventure and turnkey redeployable camp solutions for local African and global markets. With over four decades of innovating award-winning canvas and PVC products, we've got you covered

Whether it's a custom designed tented safari camp in the heart of the African bush, a mess tent designed for military use in the desert, a fold-up bush shower, or any other canvas, nylon or PVC product, trust the Canvas and Tent brand to deliver.

To achieve this, it is the policy of Canvas and Tent Manufacturing (Pty) Ltd to establish, implement and maintain a documented quality and environmental management systems, which conforms to ISO 9001-2015 and ISO 14001: 2015, and to continually improve the quality and environmental systems and its processes

We are committed to producing the highest quality products and at the same time protecting our environment by

- Satisfying applicable customer and regulatory requirements
- Identify objectives relevant to both quality and environmental management
- Determine controls that will prevent the significant impacts of our activities resulting in pollution, to meet our commitment to protect and enhance the environment.

The quality policy is communicated to all employees at all levels throughout our organisation via training, regular internal communications and reinforcement during annual employee performance reviews. The policy is place on the Shared network (Z) for all employees to access and read. Employee understanding of our policies and objectives is determined during internal audits and other methods deemed appropriate.
